WHO WE ARE?

For the last 15 years, the Landmark Institute has been offering extensive training and a strategic study module to help our students crack the **MCA Entrance exam with high scores**. To say the least, if you are planning to get admission in **DU | NIT | JNU | JAMIA | IP** then Landmark is ready to provide you right training, support, and specific guidance to each individual.

WHO NEEDS US?

- Students who feel their preparation for MCA is inadequate.
- Aspirants who believe a good kind of training is required for better results.
- Those who want additional or specific help in any area
- If self-study is not giving them excellent results.
- Students who simply want to feel confident about MCA preparation.

OUR UNMATCHED TRAINING STRATEGIES

- All our faculty members are teaching with top universities, with decades of experience and a zeal to learn and grow with the changing times. They are not only brilliant teachers, writers and counselors but are great mentors too who support students even after they have completed their course. They provide a very realistic and accurate training to get the best scores.
- Topic specific training and separate classes for each subject like – **Maths, Logical Reasoning, English Language, Computers** etc.
- We provide assistance, provide solutions and counselling to each student for optimum results.
- Full study material comprising of theory, illustrations and question banks is provided with every program. The material has developed by a team of eminent Lecturers and Professors from IIT, DU and IP University.

Our Mentors say...

Our team has worked very hard to design every question, curriculum and study program for our aspirants. Our commitment is to have a 100 percent success rate in MCA Entrance Exam for which we regularly update our programs, get experienced faculty on board and provide personal assistance and counselling to every student.
